

BEFORE THE ARIZONA MEDICAL BOARD

In the Matter of

ADAM WILLIAM LEVINSON, M.D.

Holder of License No. 37231
For the Practice of Allopathic Medicine

In the State of Arizona.

Case No. MD-12-0960A

INTERIM ORDER FOR PRACTICE
LIMITATION AND CONSENT TO THE
SAME

CONSENT AGREEMENT

Adam William Levinson, M.D. ("Physician") elects to permanently waive any right to a hearing and appeal with respect to this Interim Order for Practice Limitation; admits the jurisdiction of the Arizona Medical Board ("Board"); and consents to the entry of this Interim Order by the Board.

FINDINGS OF FACT

1. The Board is the duly constituted authority for the regulation and control of the practice of allopathic medicine in the State of Arizona.

2. Physician is the holder of License No. 37231 for the practice of allopathic medicine in the State of Arizona.

3. In a letter dated August 6, 2012, Respondent informed the Board that he had been arrested in New York on charges of unlawful surveillance in the second degree. He also stated that, as a result of his arrest, he had entered into a non-disciplinary interim practice limitation with the New York State Board of Professional Conduct.

4. Physician has recognized that he has a medical condition that may limit his ability to safely engage in the practice of medicine.

CONCLUSIONS OF LAW

1. The Board possesses jurisdiction over the subject matter hereof and over Physician.

2. The Executive Director has authority to enter into this consent agreement to limit the physician's practice based upon evidence that he is unable to safely engage in the practice of medicine pursuant to A.R.S. § 32-1405(C)(25) and § 32-1451(F); A.A.C. R4-16-504.

3. The Executive Director has determined that a consent agreement is needed to mitigate imminent danger to the public health and safety. Investigative staff and the Board's medical consultant have reviewed the case and concur that a consent agreement is appropriate.

INTERIM ORDER

IT IS HEREBY ORDERED THAT:

1. Physician's practice is limited in that he shall not practice medicine in the State of Arizona and is prohibited from prescribing any form of treatment including prescription medications until Physician applies to the Board and receives permission to do so. The Board may require any combination of staff approved assessments, evaluations, treatments, examinations or interviews it finds necessary to assist in determining whether Physician is able to safely resume such practice.

2. Physician may be assessed the costs of the contractor's fees for monitoring.

3. The Board retains jurisdiction and may initiate a separate disciplinary action based on the facts and circumstances that form the basis for this Interim Practice Limitation or any violation of this Consent Agreement.

4. There has been no finding of unprofessional conduct against Physician.

1 DATED this 29th day of AUGUST, 2012.

16 related thereto or arising from said Interim Order.

17 4. The Interim Order is not effective until approved and signed by the Executive
18 Director.

19 5. All admissions made by Physician are solely for final disposition of this
20 matter and any subsequent related administrative proceedings or civil litigation involving

1 6. Upon signing this agreement, and returning this document (or a copy
2 thereof) to the Board's Executive Director, Physician may not revoke the consent to the
3 entry of the Interim Order. Physician may not make any modifications to the document.
4 Any modifications to this original document are ineffective and void unless mutually
5 approved by the parties.

6 7. This Interim Order is a public record that will be publicly disseminated as a
7 formal *non-disciplinary* action of the Board.

8 8. If any part of the Interim Order is later declared void or otherwise
9 unenforceable, the remainder of the Interim Order in its entirety shall remain in force and
10 effect.

11 9. Any violation of this Interim Order constitutes unprofessional conduct and
12 may result in disciplinary action. A.R.S. § § 32-1401(27)(r) ("violating a formal order,
13 probation, consent agreement or stipulation issued or entered into by the board or its
14 executive director under this chapter") and 32-1451.
